PROPOSAL REQUIREMENTS

About El Pueblo. El Pueblo de Los Angeles Historical Monument supports, promotes, safeguards and preserves the City's birthplace and oversees and manages various museums, 27 historic buildings, approximately 80 concessionaires, and hosts numerous public events annually. The south end of El Pueblo is also a popular film venue. El Pueblo is a department of the City of Los Angeles and reports to a nine-member commission. The Department also operates several parking lots within the El Pueblo district as identified in Exhibit 1. No parking is being offered with this Request for Proposal.

Most of the commercial activity occurs on Olvera Street. Since the 1930s, Olvera Street has operated as a Mexican-themed retail block of shops and restaurants that attracts over 2 million local, regional, and international visitors annually.

About the Proposal. The Department is seeking clear and concise responses. Your proposal must fully describe your project, must respond to the sections below, and should include back-up material, as needed.

In addition to uses consistent with El Pueblo's cultural heritage, the Department has a mandate from the City to be financially self-sufficient, and is therefore seeking an income-generating use of the premises, with rents consistent with market rates for the area and the proposed use. The proposed rent should be clearly stated in the Proposal.

A proposal may be rejected and deemed non-responsive if it is conditional or incomplete, or if it contains alterations of form or other irregularities of any kind. A proposal will be rejected if, in the opinion of the City, the information contained therein is erroneous or fallacious with the intent to mislead the City in the evaluation of the proposal.

All proposals shall be marked "Proposal for Olvera Street Space W-19A" and hand-delivered by the respondent or by a delivery service. Proposals submitted via U.S. Postal Services or fax will not be accepted.

Due Date

Submissions are due on Thursday, June 20, 2019 at 3:00 p.m. – Pacific Standard Time. *****PROPOSALS WILL NOT BE ACCEPTED THEREAFTER.****

2. Proposed Concept for the Property

Provide a description of your business concept. The Proposer will be responsible for obtaining all necessary building permits and ensure that all renovation complies with the City of Los Angeles Building Codes.

Acceptance of the proposal does not constitute approval of proposed renovations. All laws must be complied with before the successful Proposer will be permitted to commence renovation or building occupancy. All proposals submitted in response to this RFP will become the property of the City.

3. Rental Offer

State your proposed monthly rental amount in your proposal. The suggested Minimum Rental Bid for Retail or a Café is \$6.00 per square foot. Other uses may suggest other rent consistent with the use. The rent should increase annually based upon the Consumer Price Index. A rent credit or waiver of a few months will be considered depending on the extent of renovation.

The successful proposer/ concessionaire will also be required to pay a monthly common area maintenance fee of \$0.36 per square foot, paid by all merchants at El Pueblo. This fee covers shared responsibility for custodial, security, maintenance, and landscaping of the outdoor common areas of El Pueblo.

4. Proposed Budget

Provide a budget and a clear description of any proposed renovations, including scheduling renovation activities with clear milestones, and a clear identification of the time needed for due diligence. The City expects business to complete renovation, if necessary, and commence to operate within two months after execution of the lease agreement. If the proposer believes that this timeline is unrealistic, it should be clearly be explained in the proposal.

5. Financial Capability

Provide a statement of the financial history and capability of the individual, group, organization or entity, as well as a plan for future financial viability. The statement

should include an explanation of how the individual, group, organization, or entity plans to make rental payments, concessionaire improvements, and/or maintain financial stability during the term of a contract.

6. Experience and Viability

Provide acceptable and adequate verification of the lawful existence, good standing, and past experience of the individual, group, organization, or entity submitting the proposal, as well as the authority of the agent or representative signing the proposal.

The Proposer must reveal the names of any and all partners, joint ventures, corporations, principals, consultants, firms, silent partners, "Doing Business As" (DBA), and investors related to, or associated with, the entity submitting the Proposal (collectively, "Affiliated Parties"). All Proposers and Affiliated Parties must be in good standing with the City and in compliance with all City laws and ordinances.

7. Mandatory City Forms

For additional forms to be included with the proposal and required by the City, See Exhibit 2. Proposers are required to complete City Ethics Commission Form 50 at the time of submitting the bid for the space.

8. Good Faith Deposit

The Proposal must be accompanied by a Good Faith Deposit / Cashier's Check made payable to El Pueblo Historical Monument in the amount of ONE THOUSAND DOLLARS (\$1,000). No proposal will be considered unless the Good Faith Deposit is enclosed therewith. The Good Faith Deposit will be returned once an awardee has executed a contract.

SELECTION PROCESS

Proposers are encouraged, but not required to attend a pre-proposal conference at the Pico House – 424 North Main Street, Los Angeles, California 90012 on Tuesday, May 14, 2019.

All complete proposals will be submitted to a review panel comprised of City staff. The review panel will consider and rank proposals and evaluate them under the following criteria:

- A. Proposed Redevelopment of the Property (40 Points);
- B. Rental Offer (30 Points);
- C. Financial Capability (20 Points);

D. Experience and Viability (10 Points).

After reviewing all proposals, the review panel will make a recommendation to the El Pueblo Historical Monument Authority Commission (Commission) to enter into an Exclusive Negotiating Agreement, which may lead to a proposed lease that will contain, among other things, the City's requirements and standards for the development and operation of the space.

The Commission will consider the review panel's recommendation at a public hearing. The Commission's approval of the proposer and the proposed lease must then be approved by the Los Angeles City Council. The City reserves the right to interview proposers or request them to present their proposal at a public hearing. The City additionally reserves the right to not select any of the proposals and reject all proposals.

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-4.

PSC-7. EXCUSABLE DELAYS

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. 6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.
7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

CONTACT For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at www.lacity.org/cao/risk. The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

1. Additional Insured/Loss Payee. The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.
